Rosario Pivonello MD, PhD

Curriculum Vitae et Studiorum	
Records	PROFESSIONAL ADDRESS Department Medicina Clinica e Chirurgia School of Medicine, University “Federico II” of Naples via S. Pansini 5, 80131, Napoli (Italy) ☎ Tel. +39-081-7464983 ☎ e fax+39-081-5465443 Email Rosario.pivonello@unina.it
Personal data	PERSONAL ADDRESS Via Pietro Castellino 141 , 80131 Napoli (Italy) Born in Naples (Italy) on January 9th 1970. Languages: Italian, English, Spanish, French. CURRENT PROFESSIONAL POSITION Full Professor, recruitment field 06/MEDS-08 (Endocrinology, Nephrology, Food and Wellness Science), Academic Discipline MEDS-08/A (Endocrinology and Metabolism), confirmed on December 15th 2022, at Dipartimento di Medicina Clinica e Chirurgia, University “Federico II” of Naples. Director of Specialization School in Endocrinology and Metabolism University “Federico II” of Naples. Director of FERTISEX centre, “Centro di Andrologia e Medicina della Riproduzione e Sessualità Maschile e Femminile” (SIAMS Excellence centre from 2017). Head of Infradipartimental program “Andrologia Medica e Medicina della Riproduzione e della Sessualità Maschile e Femminile” - Dipartimento Assistenziale Integrato di CHIRURGIA GENERALE,

Education and Training

ENDOCRINOLOGIA, ORTOPEDIA E
RIABILITAZIONE – AOU “Federico II”.

Delegate for the Andrology Program “Andrologia Medica e Medicina della Riproduzione e della Sessualità Maschile e Femminile – UNESCO Chair of “Educazione alla salute ed allo sviluppo sostenibile”, established on September 2019 at University “Federico II” of Naples (coordinator Prof. Annamaria Colao).

2015-2016 Il level Master in “Andrologia e Seminologia” - Università La Sapienza, Rome.

2010-2011 Il level Master in “Andrologia e Medicina della Sessualità” - Università degli studi di Firenze, Florence.

2005 PhD in Internal Medicine (Basic and Clinical Endocrinology), Erasmus University (Dijkzigt Hospital) of Rotterdam, The Netherlands (Prof. Steven W.J. Lamberts). Thesis title: **“Dopamine receptor expression and function in the Normal and Pathological hypothalamus-pituitary-adrenal axis”**.

2003 PhD in Neuropsychopharmacology and Toxicology at Dipartimento di Neuroscienze, University “Federico II” of Naples (Prof. L. Annunziato). Thesis title: **“Expression of somatostatinergic and dopaminergic receptors in pituitary and adrenal tumors and in neuroendocrine tumors”**.

October 27th 1999 Specialization with honors in Endocrinology and Metabolic Disorders. Thesis title: **“Struttura e funzione cardiaca nel diabete insipido centrale: uno studio ecocardiografico”**.

1995-1999 Post-degree fellowship in Endocrinology at the Endocrinology Institute, School of Medicine, University “Federico II” of Naples (Prof. G. Lombardi).

1994-1995 Post-degree training on the pathophysiology of the Growth Hormone at University “Federico II” of Naples (Prof. L. Zarrilli).

1995 Professional Qualification in Medicine, Italian Institute of Health (90/90).

September 23rd 1994 Degree with honors in Medicine and Surgery. Thesis title: **“Analisi della composizione corporea in pazienti adulti con deficit di GH. Valutazione impedenziometrica e**

mineralometrica”.

1988-1994 Pre-degree training on the pathophysiology of the Growth Hormone at University “Federico II” of Naples (Prof. L. Zarrilli).

1988-1994 Student in Medicine and Surgery, University “Federico II” of Naples.

1988 Graduated from Scientific High School (60/60).

Stages

1999-2001 Researcher on role of somatostatinergic and dopaminergic system in adrenal gland, pituitary gland and immune system at the Erasmus University (Dijkzigt Hospital) of Rotterdam, The Netherlands (Prof. Steven W.J. Lamberts).

1998-1999 Stage on the role of somatostatinergic and dopaminergic system in thymus at the Erasmus University (Dijkzigt Hospital) of Rotterdam, The Netherlands (Prof. Steven W.J. Lamberts).

Positions

From 2026 Director of Specialization School in Endocrinology and Metabolism University "Federico II" of Naples.

From 2020 Coordinator of Didactic commission - Medicine and Surgery Degree course - University "Federico II" of Naples.

December 15th 2022 Full Professor recruitment field 06/MEDS-08 (Endocrinology, Nephrology, Food and Wellness Science), Academic Discipline MEDS-08/A (Endocrinology and Metabolism) at Dipartimento di Medicina Clinica e Chirurgia, University "Federico II" of Naples.

June 1st 2016 Associate Professor recruitment field 06/D2 (Endocrinology, Nephrology, Food and Wellness Science), Academic Discipline MED/13 (Endocrinology and Metabolism) at Dipartimento di Medicina Clinica e Chirurgia, School of Medicine - University "Federico II" of Naples.

2010-2016 Researcher (MED/13) at Dipartimento di Medicina Clinica e Chirurgia, School of Medicine - University "Federico II" of Naples.

2007-2010 Research Contractor at Dipartimento di Endocrinologia ed Oncologia Molecolare e Clinica, School of Medicine - University "Federico II" of Naples. Research topic: "**Evaluation of pharmacological efficacy of cabergoline in patients affected by Cushing's disease**" (AIFA 2005).

2005-2006 Research Contractor at Dipartimento di Endocrinologia ed Oncologia Molecolare e Clinica, School of Medicine - University "Federico II" of Naples. Research topic: "**Expression of somatostatinergic and dopaminergic receptors in neuroendocrine tumors**" (FIRB 2001).

2003-2004 Research Consultant at Dipartimento di Endocrinologia and Oncologia Molecolare e Clinica, School of Medicine - University "Federico II" of Naples.

Affiliations

Since 1995 Ordine dei Medici-Chirurghi ed Odontoiatri Province of Naples – OMCeO Naples.

Since 1999 Subscription to the list of Specialists in Endocrinologia e Malattie del Ricambio, Ordine dei Medici-Chirurghi ed Odontoiatri Province of Naples.

Since 1999 Member of the Italian Society of Endocrinology (SIE).

Since 2000 Member of the American Endocrine Society. Membership ID: 314010.

Since 2000 Member of the Pituitary Society.

Since 2004 Member of the European NeuroEndocrine Association (ENEA).

Since 2006 European NeuroEndocrine Tumor Society (ENETS).

Since 2006 Member of the European Society of Endocrinology (ESE). Membership ID: 117921.

Since 2010 Member of the Italian Society of Andrology and Medicine of Sexuality (SIAMS).

Since 2013: Member of Technical-scientific Committee of Oncotech Consortium.

Since 2022: member of Collegium P.O.E.M.A. (Collegio dei Professori Ordinari di Endocrinologia – Collegium of Full professors of Endocrinology, Metabolism and Andrology).

Since 2022: Academician member of European Academy of Andrology (EAA).

Since 2022: Treasurer of the Board of Directors of the non-profit organization of social utility Foundation of Italian Society of Endocrinology for research in Endocrinology, metabolic diseases and andrology - Fondazione della Società Italiana di Endocrinologia per la ricerca in Endocrinologia malattie metaboliche e andrologia (Fo.Ri.SIE.)

Since 2023: delegate of the Italian Society of Endocrinology (SIE) for the relationship with Italian Higher Institute of Healthcare (ISS) within the

GENDER MEDICINE OBSERVATORY - Scientific societies with Working groups on Gender Medicine.

Since 2024: Member of the Special Interest Group “Environment and Fertility” of Italian Society of Fertility and Sterility (SIFES)

Since 2025: Member of the Working Group on **Medical Sexology of** Ordine dei Medici-Chirurghi ed Odontoiatri Province of Rome – OMCeO Rome.

From 2024 to 2026: Member of Board of Directors, as Elect President, of Italian Society of Andrology and Medicine of Sexuality (SIAMS).

From 2023 to 2025 Member of Board of Directors of the Società Italiana Genere, Identità e Salute (SIGIS).

From 2023 to 2025 Member of Fund raising Committee of the Società Italiana Genere, Identità e Salute (SIGIS).

From 2022 to 2023: Coordinator of the Clinical Studies Committee of the Italian Society of Andrology and Medicine of Sexuality (SIAMS).

From 2022 to 2023: Member of Guidelines Committee of the Italian Society of Andrology and Medicine of Sexuality (SIAMS).

From 2021 to 2025: Member of Board of Directors of the Pituitary Society.

From 2021 to 2023: Coordinator of Relationships with Other Scientific Societies and Institutions Committee of the Società Italiana Genere, Identità e Salute (SIGIS).

From 2019 to 2021: Member of Scientific Committee of the Italian Society of Endocrinology (SIE).

From 2018 to 2021: Coordinator of Scientific Committee of Italian Society of Andrology and Medicine of Sexuality (SIAMS).

From 2016 to 2025: Coordinator of the Club “Endocrinology and Metabolism of Sport and Physical Exercise” of Italian Society of Endocrinology (SIE).

From 2016 to 2020: Member of Executive Committee of the European NeuroEndocrine Association (ENEA).

From 2017 to 2019: Coordinator of Drug Committee of Italian Society of Andrology and Medicine of Sexuality (SIAMS).

From 2017 to 2019: Coordinator of International Relationships Committee of the Italian Society of Endocrinology (SIE).

From 2015 to 2017: Member of Drug Committee (relationships with AIFA and drug monitoring in endocrinology) of Italian Society of Endocrinology (SIE).

From 2013 to 2015: Member of Innovative Proposal Committee of the Italian Society of Endocrinology (SIE).

From 2012 to 2016: Member of Board of Directors of Italian Society of Andrology and Medicine of Sexuality (SIAMS).

From 2011 to 2013: Member of Scientific Committee of the Italian Society of Endocrinology (SIE).

From 2010 to 2014: Member of Scientific Committee of Italian Society of Andrology and Medicine of Sexuality (SIAMS).

From 2009 to 2011: Member of the Multimedia Information Committee the Italian Society of Endocrinology (SIE).

From 2007 to 2011: Member of the Scientific Update Committee the Italian Society of Endocrinology (SIE).

- Member of Club “Hydro-saline metabolism” of Italian Society of Endocrinology (SIE)
- Member of Club “Cardiovascular Metabolism” of Italian Society of Endocrinology (SIE)
- Member of Club “Adrenal” of Italian Society of Endocrinology (SIE)
- Member of Scientific Committee of several

National Congresses.

Grants	
Giovani Ricercatori 2001	Federico II University of Naples competition, for research project financed by MURST - Prot. N. 463/22.3.2000 “Study of function and expression of the dopaminergic receptors in the tumors involved in chronic endogenous hypercortisolism” .
Giovanni Grasso 2001-2002	Fellowship for research project “Expression and function of dopamine receptor in neuroendocrine tumor” .
EMI (Associazione-Endocrinologia-Metabolismo-Ipofisi) 2003-2004	Fellowship for research project “Study on psychosocial performance in patients with pituitary disease” .
FO.RI.SIE (Fondazione della società italiana di Endocrinologia per la Ricerca in Endocrinologia, Malattie Metaboliche e Andrologia) 2005	Fellowship for research project “The expression of dopaminergic receptor in adrenal cortex tumors” .
Pende 2005	Best under 40 researcher award of Italian Society of Endocrinology (SIE).
Italfarmaco 2004-2005	Research award “Il ruolo degli analoghi della somatostatina nella gestione delle malattie neuroendocrine” for the original article “Role of Somatostatin analogs in the treatment of clinically non-functioning pituitary tumors” .
Travel Grant Award of Pituitary Society 2005	Research abstract “Progressive increase of cardiovascular risk in patient cured from Cushing’s disease” .

Travel Grant Award of Endocrine Society 2007	Research abstract " Cabergoline treatment in Cushing's disease: effect on Hypertension, glucose intolerance and dyslipidemia ".
Travel Grant Award of Pituitary Society 2007	Research abstract " Cabergoline treatment in Cushing's disease: effect on Hypertension, glucose intolerance and dyslipidemia ".
ENETS 2007	First prize for the Best Basic Oral Communication of 4 th annual European Neuroendocrine Tumor Society (ENETS) conference for the diagnosis and treatment of neuroendocrine tumor disease for oral presentation " Dopamine receptor expression and dopamine agonist effectiveness in medullary thyroid cancer ".
MINOZZI (SIE) 2009	"Best Researcher" award.
EUROPEAN CONGRESS OF ENDOCRINOLOGY (ECE) 2012	"Best clinical practice" award.
CAREER AWARD (SIE) 2019	"Career" award.
EUROPEAN SOCIETY OF ENDOCRINOLOGY (ESE) 2021	Clinical Endocrinology Trust Award
